Jewelry by Julia Parish

Donated by Julia Parish

About Julia Parish:

Employing ancient goldsmithing techniques such as melting, rolling, forming and pulling metal into sheet and wire, Julia makes each piece by hand to create jewelry both unique and specific. Pearls of all shapes and sizes, rose cut diamonds & sapphires, rubies, moonstones and light reflecting crystals dominate. Working in high-carat gold and fine or sterling silver, Julia aims to create pieces that will endure in quality and style -- Never fussy or trendy, but graceful and elegant with a sprinkling of magical sparkle.
